Reserving a Hotel Room in Uptown Charlotte:

To make the process of traveling to Charlotte easier for Candidates taking Part III CSE, the NBEO/NCCTO has obtained special contracted rates with the hotels listed below. Though many other hotels exist in the Uptown Charlotte district, currently only the hotels described below have provided NBEO candidates with negotiated corporate room rates.

Only a limited number of rooms are set aside for use with these negotiated rates; it is best to reserve early to secure the special room rate. The NBEO/NCCTO cannot guarantee any special dates or room availability at any time. Please be aware that each hotel may have particular “black out” dates for other events hosted in Charlotte at the same time as your exam, and the NBEO rate will be unavailable on those days. It is highly recommended to book as early as possible to obtain the NBEO rate. If you run into any issues with reservations, please contact the hotel directly for more information. You may also email the hotel you would like to stay with and ask for a list of blackout dates and plan accordingly.

The link for the hotel will take you directly to the hotel’s website that includes a description of the facility and allows you to make a reservation using the NBEO room rate.

Exploring around the NCCTO:

To familiarize yourself with Part III CSE location, it is highly recommended that prior to your exam appointment; you take a practice walk, where the NCCTO is located on the 20th Floor. This will minimize any confusion on the morning or afternoon of the exam. It is a good idea to keep track of the time needed to walk from the hotel to the NCCTO, and that you allow a few minutes after arriving at the NCCTO to relax and freshen up before the exam begins.

The Overstreet Mall is an extensive, third-floor network of indoor, connected, above-street plazas, hallways, and enclosed over-the-street walkways that meander between and among uptown buildings. Commercial establishments (e.g., shops, restaurants, banks, a post office) in the Mall generally are open only on weekdays during regular business hours, though the walkways themselves are open daily from early morning until late evening. Several Overstreet Mall restaurants close to the BB&T Building’s third-floor elevators open early on weekdays to serve breakfast (for example, McDonald’s, Brad’s, Caribou, Starbuck’s; only McDonald’s is open on Saturdays, at 7:30 a.m.).
