

CANDIDATES WISHING TO TAKE CSE AND ISE ON THE SAME DAY (beginning August 1, 2018):

For those Candidates wishing to take the ISE and CSE on the same day, please look at the ISE schedule first (http://www.optometry.org/ise_schedule.cfm). Dates on which ISE is listed with 8 slots means that the morning is reserved for CSE testing for those candidates who wish to take ISE and CSE on the same day.

1. Register for ISE.
2. Register for any future CSE date.
3. Please email us at NCCTO@optometry.org with your OE tracker number and state that you wish to take CSE on the same day as the date you registered for ISE.
4. You will receive an email notification that your CSE date has been rescheduled to the same day as your ISE.

If you withdraw from ISE you will be automatically withdrawn from the same-day CSE.

CANDIDATES WISHING TO TAKE CSE AND ISE ON DIFFERENT DAYS (beginning August 1, 2018):

You do not have to contact us if you wish to take CSE and ISE on different days. Please check CSE schedule (http://www.optometry.org/cse_schedule.cfm) for availability prior to registering for ISE.
